## As to reach us

### **Arriving from Venice airport**

We suggest to use public boat provided by Alilaguna company. The ride from the airport to San Marco takes about 60 minutes and costs Euro 12 per person. Once in San Marco cross the square and take the street called Calle dei Fabbri (at the corner with the Quadri café). Follow it straight for about 50 meters and you will find Ca' del Duca on your left.

### **Arriving by car**

You can park your car in one of the parking garages in Piazzale Roma or in the Tronchetto parking area. Reach the dock for Line 1 (Direction San Marco) and take the water bus.

Get off at the Rialto stop. To reach Ca' del Duca from here, take the small street in front of you (Calle Bembo) and go straight for about 5 minutes.
